VALUE BEYOND INDIVIDUAL RIDES

Why become a VIP member?

Pay less per ride Choose a 6-, 12-, 18- or 24-ride package. In Georgia Zone 1, Diamond rides are $95 each. See the package chart for pricing by tier.

Save on hourly service Members receive 7.5% to 30% off the standard hourly rate by tier when reserving a chauffeur and luxury SUV for a continuous block.

Know your ride price in advance Purchased ride credits lock in the applicable rate for your location and travel zone, with no last-minute surge pricing in that service area.

Skip standard service fees Members pay no standard late-night, early-morning or holiday service fees. Tolls, airport fees and location-specific charges may still apply.

Keep unused ride credits Unused credits carry forward and do not expire. Your membership terms apply when you use them.

Complimentary trips when you renew

After your first membership term, the first renewal includes one complimentary trip of up to 4 hours. At the second renewal, the trip benefit follows your tier:

Bronze	Silver	Gold	Diamond
Up to 4 hours	Up to 6 hours	Up to 10 hours	Up to 14 hours

Each benefit is one continuous trip. Hours cannot be split across trips, days or passengers. The entire unused benefit may be transferred to a family member.

Know before you ride

Displayed VIP pricing includes applicable taxes and card processing fees unless stated otherwise. Gratuity is not included in your VIP rate. Tipping is entirely up to you. If you'd like to thank your chauffeur for great service, a tip is always appreciated. Out-of-area prices require your approval.

FOR TRAVELERS AND THEIR COMPANIES

Make work travel easier to arrange.

Give frequent travelers and the people arranging their rides one company to contact. Verbon coordinates airport, private aviation and other luxury SUV transportation, including out-of-state service where professional partner coverage and availability are confirmed.

A practical example: For 24 Georgia Zone 1 rides, the Diamond package costs $2,280. The retail total is $3,240, so the package saves $960 before separate trip charges. Match the package to the actual route and expected travel needs.

Arranging rides for employees or clients? Speak with Bonnie about your company's routes, passenger details and payment arrangements before purchasing. Verbon can explain how the program fits your needs. Transfers of membership privileges or ride credits require written authorization.

A few important answers

Can I cancel a ride? Credit restoration depends on the cancellation window and circumstances in your reservation. Canceling a ride does not cancel the membership.
Can I cancel my membership? Submit a request to Verbon for review. Refunds are not automatic; used rides and benefits may affect any approved refund.
